Description

As a User, I Want to Attempt a Purchase Using Invalid Data

Preconditions

- Allegro.pl website
- An existing account in the service
- The user is not logged in
- A Product Has Been Added to the Cart
- The Cart Page is Open

Steps

#	Action	Input	Expected result
1	Confirm the Delivery and Payment Option.		A New Window Will Appear with a Login Form and an Option to Create a New Account.
2	Enter a Correct Login in the Form.		The Login is Visible in the Appropriate Field.
3	Enter an Incorrect Password.		The Password is Visible in the Appropriate Field in an Anonymized Form.

4	Submit the Form.	An Error Message is Displayed: "Login, email, or password are incorrect."
